INVITATION

Dear Colleagues,

The Society of Medical Ultrasonography – TURKEY is honored to invite you to the **EUROSON SCHOOL** of “**Elastography, Current US Techniques and Interventional US**” which will be held in Istanbul on 2 to 3 May 2020.

The meeting is planned to cover the theoretical and practical aspects of current ultrasound techniques and technologies with the contribution of experts. Attendees of hands-on sessions will find one-on-one time practice opportunity together with the skilled hands working on specific techniques.

Abstracts will be accepted for scientific oral and poster presentations in the field of ultrasound.

We are looking forward to your participation.

Sincerely,

Prof. Mustafa SECIL

President

The Society of Medical Ultrasonography – TURKEY
